

PROFILE

I am a dynamic and tech-savvy professional with a solid foundation in computer troubleshooting, coding, and problem-solving. My enthusiasm for technology is not only a personal passion but also academically reinforced with a Level 3 Diploma in Information Technology. This theoretical knowledge is paired with practical experience in web design and development.

Fluent in Tamil, Sinhala, English, and Hindi, I am well-equipped to deliver remote IT support to a diverse clientele. As a fast learner with a deep understanding of essential technologies such as JavaScript, HTML, CSS, and React, I am dedicated to excelling in IT support and development.
